QUALITY POLICY

SPEC-CAST WEAR PARTS [PTY] LTD is committed to serving our customers with consistent quality of ground engaging tools, undercarriage, abrasion resistant steel, technical support and condition monitoring services.

In order to uphold this, we undertake to:

- ✓ **Implement and continually improve our quality management systems and processes**
- ✓ **Meet our clients needs as mutually agreed, or adequately communicate if we cannot**
- ✓ **Incorporating a quality culture throughout the organization**
- ✓ **Cultivating and promoting ethical trade practices**
- ✓ **Pro-actively seeking customer feedback**

At Spec-cast, we envision a future where our solutions not only meet, but exceed the evolving needs of our customers, fostering long-lasting relationships built on trust, integrity and shared success.
